GAME DESCRIPTION

Jacks Hi is a 2, 4 or 6 player non competitive coin pusher game. The player insets a coin into a chute. The chute operates as a pendulum, which alters the direction of the falling coin from left to right. The coin then falls into one of the award columns located at the bottom of the playfield. Coins pushed off the playfield convert into player winnings. If the player uses a bonus chute, a reels spins displaying card graphics. The bonus is awarded by matching the “card” associated with the bonus slot to a card displayed on the bonus reel of the device.

CONDITIONS

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) The playfield shall be clean and free of debris that may interfere with game play.
- 4.) The device shall not have a lose chute. Should lose chutes be available, the lose chutes on any part of the playfield shall be closed down to prevent the loss of a coin.
- 5.) Game shall be clean and free of debris.
- 6.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
